Subject: RE: WOUS vs WOTUS

That will be one of the easier changes to make!

Subject: WOUS vs WOTUS

I have been told that EPA calls it WOTUS, even when the Corps or an applicant or EIS calls it WOUS. It's like we have decided what the acronym will be for our agency and should be consistent.

I would suggest updating the Pebble FEIS comment letter to say WOTUS. My apologies for not making this point earlier.

Let me know if you have any questions.

-Amy
